Cumulative Grade for your MBA Candidacy	Top 15%	Overall score for your MBA candidacy based on MBA Prep School's assessment criteria

Based on our review, we believe you will be a competitive applicant at selective business schools (with admissions rates between 15-30%). Schools with admissions rates between 15%

Specific Schools:

Duke University Fuqua School of Business |

We recommend the following next steps to increase your chances of admission:

- Add details to your resume and application forms that show what you have accomplished and how many people you led in your extracurricular activities during and after college.
- Work to define your long-term goals further. What type of company would you ultimately like to start and run? What industry would it be in and what type of product/service would you offer? [Click here to learn more.](#)
